

25th & 26th September 2018

International Conference on

“Women's Empowerment & Leadership : Challenges and Opportunities ”

at Sardar Bahadur Khan Women's University, Quetta, Pakistan

Why This Conference:

Research in Social Sciences in Pakistan and especially in the area of Women empowerment and Women Leadership is far behind due to the consistent negligence on the part of policy makers. By and large the state and society of Pakistan have paid dearly for this disregard. The socio-economic Development, Human right particularly women rights , Its empowerment , political conditions of Pakistan and Specially the role of women in Politics and Women Leadership are precarious. Unfortunate, the state is distraught by weak democratic institutions, praetorian state apparatuses, conservative socio-cultural ethos, exclusive and contending religious ideologies, increasing social stratification, infiltrating globalization, identity related contestations, exploitative economic structures , most widely the gender discrimination , man domination vulnerable security structures and competing global power interests. However, despite all these challenges, the scholars and researchers display an unbounded interest in the promotion as social scientists specially in the field Women Empowerment and Women Leadership.

BENEFIT OF THE CONFERENCE:

Sardar Bahdur Khan Women University is Organizing an International Conference on Women's Empowerment and Leadership .The focus of the upcoming international conference is to provide space of expression and discovery the role of Women empowerment and women Leadership in multiple parameters; especially within the realm of female expression, voice and various issues and concerns related to females in general. this conference will be a platform to discuss the relationship between women and society in historical, social, legal and creative contexts. The conference aims to provide an environment for academics, researchers and practitioners to exchange ideas and recent developments on the topic of women Empowerment and Women Leadership. The conference is expected to foster networking and collaboration amongst participants to advance specific theories and the general practice of academia.
